APPRISE is still available to help with Medicare Questions

Even though the West Chester Area Senior Center may be closed to activities due to the current pandemic, APPRISE Medicare counseling is still available to you for your Medicare questions or issues. You can reach us through the senior center's main number 610.431.4242 or through our APPRISE Helpline at 610-344-5004 option 2. The APPRISE counselor will then contact you by phone within 24-48 business hours.

APPRISE Counselors can help you to understand your health care coverage options so you can make sound choices - both when new to Medicare and on an ongoing basis – choices that contribute to both your physical and financial health.

Our services are confidential, unbiased, informative and free. To assist us in this process, we use the online resources provided at Medicare.gov. In addition, the Commonwealth of Pennsylvania provides access to a database listing, for each Medigap plan available in our county, the premium charged, financial ratings, premium increase history, and expected premium increases. We can save you hours of legwork.

APPRISE counselors also screen Medicare beneficiaries for low-income assistance programs that can assist in paying for Medicare Part B and Part D premiums, as well as PACE/PACENET, and can facilitate an application for these programs.

Finally, we help people who need to file an appeal or submit a complaint about medical or prescription drug coverage.

In Chester County APPRISE operates under the Chester County Department of Aging Services. We are funded through the Administration for Community Living under the US Department of Health and Human Services.
