Dear _____,

Greetings from your friends at West Chester Area Senior Center (WCASC)!

We are delighted to share that Casino Night, our fall fundraiser, will be held at WCASC on Saturday, November 2, 2024. Last year, our first-ever Casino Night was successful due in large part to our auction donors. The event includes live music, casino games, dinner by local restaurants and caterers, beer, and wine. The Live & Silent Auction add to the excitement.

We hope you will donate an auction item this year. Life can be incredibly challenging for seniors. A fall resulting in injury can shatter their independence. A routine trip to the grocery store increasingly causes anxiety. While some seniors are fortunate enough to own and operate cars to go shopping, others are not. Some struggle to afford food and other basic needs. These are the harsh realities for seniors.

Casino Night auction donors help WCASC provide a wide range of vital programs serving about 2,000 seniors a year. For instance, our Corner Cabinet Food Distribution ensures that no senior goes hungry. Daily Breakfast & Lunch Meal Programs foster social interaction and healthy eating. Exercise and Health & Wellness Programs promote physical activity, independence, well-being and more!

As we celebrate our 49th year, we want you to know that your commitment to our seniors is invaluable! WCASC derives 85% of its funding and support from private sources, the local community, and tens of thousands of service hours by dedicated and multi-talented volunteers.

Please consider lending your support by completing the enclosed form and returning it to **West Chester Area Senior Center; 530 E. Union Street; West Chester, PA 19382** with your item if it is easily mailed by **October 7, 2024**. Contact Bernadette Walsh at 610-431-4242, ext. 106 or bernadettew@wcseniors.org to arrange donation pick up.

To recognize your generosity, WCASC will display your name or company name on its Facebook page and in the Casino Night program. **Thank you!**

Sincerely,

Stacey L. Fuller, Esq.
